Ms. Bradsher, Thank you for sending the ability to pay form information. I have forward the same to Tulstar Refrigerants and they are in the process of compiling the requested information. We will send a response shortly. In the meantime, I meant to ask you the other day when we spoke about the current status of the site. Have either or both of the unprocessed TCE and/or "soup" mixture been removed from the site? Also, what is the current status of their disposal? We would appreciate if you could share any information you have in such regard with us.

Thank you,

Rob
